

Purchasing Strategies

The purchasing strategies and policies regarding the acquisition of goods for Isla are executed in accordance with the following priorities.

- Purchase from local suppliers registered in the Chamber of Commerce and approved by Isla.
- Purchase from Venezuelan vendors registered in the Chamber of Commerce of Venezuela and approved by Bariven.
- Request for purchase via PDVSA Services Europe.
- Purchase from international manufacturers registered with Isla.

Besides the above, Isla is allowed to enter into strategic alliances with local suppliers and Venezuelan manufacturers.
